

It's the Fifty-Fourth Annual **OzCon International** August 10-12, 2018, in Pomona, California Kellogg-West Conference Center

Join us for three full days of Ozzy fun at the 54th Annual OzCon International as we make our triumphant return to southern California at the beautiful Kellogg West Conference Center on the Cal-Poly campus in Pomona—near three major airports: Ontario, John Wayne, and LAX. Seated atop a beautiful hill, this new site, with its rolling wooded hills and farm-scapes feels almost like Oz itself!

Our theme is *The Tin Woodman of Oz*, celebrating the centennial of this Baum favorite. And since we'll be in the greater Los Angeles area, how can we resist exploring the fascinating history of L. Frank Baum and The Wizard of Oz in Hollywood?

Our special guests so far include James Ortiz, creator of the off-Broadway hit *The Woodsman*; film critic and historian Aljean Hartmetz, author of the ground-breaking *Making of The Wizard of Oz*; Robert Payes, son of “Royal Historian of Oz” Rachel Cosgrove Payes; comics writer Andy Mangels, who also produced the CD and DVD of *Journey Back to Oz*; and longtime Oz lovers and fandom legends John and Bjo Trimble! We will also be hosting the International Wizard of Oz Club's Board of Directors meeting.

OzCon will begin mid-morning on Friday August 10th and run thru Sunday afternoon August 12th. We will again feature multi-track programming during the day and large group events in the evening. And of course we will have our Ozzy cosplay masquerade, our wonderful Dealers Room, the Oz Club's auction of rare Baum and Oz material, the challenging quizzes, the treasure hunt, and relaxing after-parties!

This year we return to offering a variety of meals. All people staying on-site at the hotel may enjoy the full breakfast buffet (free of charge). Lunches and dinners on Friday and Saturday may be purchased a'la carte on the back of this form or online at Brown Paper Ticket. *Please note that these meals must be purchased in advance of arrival!* There are no stand-alone restaurants on the grounds (rather like Asilomar), though nearby restaurants are within several minutes' driving range.

You must make your own lodging reservations. We have a large block of rooms on hold for OzCon, but we are sure to sell-out. You can also extend your stay a day ahead or beyond the convention dates. So don't delay in reserving your spot. And as always, you are welcome to share a room to make your stay more affordable and more fun. Kellogg-West hotel rooms include full breakfast buffet and free shuttle to and from Ontario International Airport as well as in-room features, such as daily newspaper, in-room refrigerators, coffee makers, wall mounted flat-screen HD TV's, and complimentary High Speed Wireless Internet Access. The hotel also offers a swimming pool and spa and complimentary parking.
